Electric generator

Can operate:

- On mains electricity
- Connected to an external generator

OPTIONS

ISUZU Tier4I engine available after 2020 for EU

Mesh for trommel

Drum without mesh

GARONNE BENEFITS

The GT 1020 is a towable trommel, easy to use.

Its transport is practical thanks to its axles which allow circulation on public roads. The crawler models come with a remote control, improving the use of the machine.

These trommels are equipped with grids of different sizes in order to refine the screening at your convenience. Finally, the GT 1020 can be equipped with an anti-dust system.
